

TITLE : ARK & DOVE PROPHETIC WORDS PROCLAIMED AT ANNIVERSARY WEEKEND IN FEBRUARY 2017	
LANGUAGE : ENGLISH	COUNTRY : USA

Feb. 17, 2017 - Opening Session

- **Mark Nehrbas** - Director of Development at Franciscan University of Steubenville

My people, you're thinking too small, I have much for you to do. You know of my Spirit, like a mighty wind but I tell you the wind is greater than what you can imagine. You think of my Spirit as a mighty river and that's good to think about but the rivers are pouring even more powerfully, even more powerfully than the largest dam... break and wash down the mountainside. My river of my Spirit rushes even more. My people, you are thinking too small. I have great things in store for my church. I am moving powerfully. I want to move more powerfully than I have in the past 50 years. The question is, will you listen? I need to do a shaking up. I need to do a shaking up of structures. I need to do a shaking up of my church. I need to do a shaking up of the world. I need my people to be docile and listen... If I say do something... do it now. Listen to me. Listen to my Spirit. I am moving in new ways, with new power; bigger than you've thought of in the past. Yield to my Spirit, my people and watch and tell of the mighty acts I have yet to do.

- **Dr Mary Healy** - Chair of the ICCRS Doctrinal Commission

I gave this word this morning but I felt like the Lord was asking me to give it again. When I gave it this morning I didn't realize what date it is today [February 17]. In Psalm 42 it says "deep calls to deep, in the roar of mighty waters." And the Lord is asking us, Charismatic Renewal, to cry out to him from our deep, from the depths of the thirsty world, from the depths of the thirsty church; deep cries out to the deep of God. God is calling us to worship him from our depths, to cry out to him from our depths, for his Spirit to be poured out. And it says in Genesis 7 [verses 11-12]:

In the six hundredth year of Noah's life, in the second month, on the seventeenth day of the month: on that day all the fountains of the great deep burst forth, and the windows of the heavens were opened and rain fell upon the earth, forty days and forty nights.

It was a flood of purification but God wants to bring now a flood such that the whole earth will be full of the knowledge of the Lord, as the waters covered the earth.

Feb. 18, 2017 - Afternoon Session: *focus was on praying for the nations*

➤ **Bob Garrett** - Catholic Fraternity council member

My people, I tell you, you are a part and not the whole. But my body is crying out for reconciliation. And I anoint you this day to be agents of my reconciliation to bring my body together so that the world will know that I am the Lord. That my grace will be released in a fresh, powerful, tidal wave around the world, where the love that I have for my world will be felt by everyone. I tell you my people to reach out; I tell you my people to be agents of reconciliation; to bring unity to my body. I desire this my people and I have anointed you for this task, so please be about my Father's business.

➤ **Susan Potvin** - worship leader of Living Praise Worship Team

The Lord says that the curtain is about to rise. We are all behind the curtain and it's dark behind where the curtain is. The curtain of his coming is about to rise. And what we're going to be so surprised at is who we are linked arm-in-arm with behind that curtain. And I'm going to ask you right now to do a prophetic act. You're going to link elbows with the person next to you, because this is what we are going to be like, standing when the curtain unfurls. And do this as a prophetic act with every group you know there's tension in. This is a prophetic act to proclaim the unity, whether it's with protestants, Catholics, whether it's between Marian and Latin Rite and Charismatic, in your families - the disunity. We are going to stand and link, arm-to-arm so that we are ready. And when we are a bulwark like this, nothing can penetrate this; the evil one cannot get through this bulwark. Like [when] we were children and we played Red Rover and nobody could break through. We're going stand, so we're going to lift up right now and we're going to pray in authority that we are one. This is a prophetic act. Lord Jesus, we are one. It's already done in the heavenlies and we are calling it down now. We are calling it down into every people group, into every nation, into every division. We are standing Lord God. We are standing Lord and uniting, uniting, uniting, with every faction that is there. We take authority of every faction; we say it has no place, for only the unity of the Lord Jesus Christ has place, the unity he died for. John 17, we call it down for it is finished. The Lord said on the cross, it is finished and this word is true. This word lives in the heavenlies and this word, Lord, we call it down and we stand firm and we stand strong in joy. We await the curtain of your glory to rise, Lord God. We will surprised and you will be fulfilling your plan for eternity. Thank you, Lord Jesus.

➤ **Dr Mary Healy** - Chair of the ICCRS Doctrinal Commission

“They went to the upper room, the apostles, all these with one soul, devoted themselves to prayer. Together with the women and Mary the mother of Jesus and with his brethren.” My children, what attracts my Holy Spirit? Unity. What draws down the rain from on high? Unity. My children, the times of disunity are over. My children, I am giving you, in the Charismatic Renewal, unity as my gift. It’s the time for the ending and healing of divisions: divisions between prayer meetings and communities, divisions between different language groups, divisions between different personalities. My children, I’m giving you unity as a gift and I’m giving you the gift of seeing one another as I see you; seeing one another, including those with whom you’ve had divisions, as absolutely precious treasures, beloved brothers and sisters. And, my children, as you live in that unity – and also unity between Catholics and Protestants, unity with the Orthodox, unity in the broken Body of my Son – my children, as you live that unity, my Spirit cannot resist being poured out upon you and upon the whole church with a new freshness and a new power and a new abundance. My children, you are to be a sign of unity to the whole church. You are to be in the vanguard of unity. You are to be on the forefront of unity for the healing of the broken Body of my Son.

➤ **Patti Mansfield** – Catholic Charismatic Renewal Pioneer & Duquesne Weekend witness

This is the word the Lord gave me, in coming here on the plane from Isaiah 55:[8-9] **“For my thoughts are not your thoughts, nor are your ways my ways, says the Lord. As high as the heavens are above the earth, so high are my ways above your ways and my thoughts above your thoughts.”** And I feel that, in this moment, we should take a time of silence and consciously abandon our plans before the Lord.

➤ **Michelle Moran’s talk referring to prophetic meaning of water:**

Water: Duquesne WE had a plumbing problem there was no water. They went to the chapel and prayed. Their prayer released a water of life that has been growing in its strength and as a current of grace... when water flows on fertile ground there is growth. Growth of the Baptism in the HS today it is arid, desert... It is not the same as it was before ... we cannot do things as we did 50 years ago. Deep calls to deep. We need to go deeper. In Ezekiel 47 the water flowing through the temple. The water is flowing and we are invited into that water of life but some people stayed at the superficial level, but they did not call the call to go deeper. As you go deeper it gets harder to move...
